This short ebook describes

Introduction

This short ebook describes the development of a software program known as Adobe Voco. With 20 minutes of voice recording, it can simulate the voice of almost anyone. While using the program, just type in the text that you want the voice to speak, and it is recorded as an mp3 file. Unfortunately, this can be used for criminal purposes. There are other software developers that are creating similar programs. Please be aware of this, because recorded messages do not necessarily mean it came from a specific person.

Please take note of the unusual events that have happened around voice signatures. There was a woman in Washington DC, that believed she was given messages from President Obama. She was murdered by police after following instructions, from whom she believed was the President. The government criminals think this is funny. Does this indicate how sick and disturbed these government criminals have become? The CIA, FBI, and the government of Israel and Mossad are involved. Please see my other ebooks.

“The CIA and FBI are behind most, if not all terrorism,” - Ted Gunderson, former FBI Chief.

Conclusions

Described in this short ebook is the development of a new software program that can simulate voices. Unfortunately, the government criminals have already used it for their sick and twisted humor.

This document is a living document. The author reserves the right to make corrections and changes.

APPENDIX

I am a proud government whistleblower – see my ebooks about the criminal acts of the CIA and FBI. Readers are advised that the NSA may be blocking or restricting access to some of my ebooks, especially outside the United States. Readers are further advised that digital tracking tags may have been placed in my ebooks. It may be best to download from Apple

iBooks, if possible. Note how slowly the jpg's load into the ebook when viewing, or there may be transparent objects placed inside the document (This is the government criminal's latest ploy). The content of some ebooks may have been altered – still trying to monitor this. If you have tried to contact me, it is possible that emails and phone calls are being blocked (Owenc787 at gmail) 713.three.zero.six.8287; 918 West 26th Street, Houston, Texas, 77008.

Readers are advised to review the website drjudywood.com which provides compelling evidence about 9-11. <http://drjudywood.com/articles/DEW/StarWarsBeam4.html> Note Figure 63. Dr Wood spent many years researching this and filed suit against the US Government, along with Dr Morgan Reynolds. Jet fuel does not burn through concrete and steel. The cookie-cutter holes were made by a high-powered laser that rapidly ages material - and turned the concrete and steel into dust in seconds. Note Figure 38(a) here: <http://drjudywood.com/articles/DEW/StarWarsBeam3.html> ...Watch the steel beam turn into dust while standing vertically. This laser operates at a harmonic of the blinking frequency - which causes rapid aging. Readers are also advised to see the movie "Sirius" by Dr Steven Greer, M.D. It is available for free on Netflix, where it is the #1 documentary, and to watch the youtube videos by the Honorable Paul Hellyer, former Canadian Minister of Defense. He has a book titled, "The Money Mafia."

Also, find my brief educational videos on youtube (Some have been blocked from the search engines).

For more than 5 years, this author has been stalked, harassed, and threatened by US Government agents from the CIA, FBI, and NSA - because of the content of these ebooks. My home has been broken into, repeatedly. In May 2014, my girlfriend was drugged and kidnapped from LaGuardia airport. This is not a joke. My computer, phone, and alarm system have been hacked, including those of my friends and family. It is truly sad and pathetic, these agencies have become criminal organizations. If something happens to me (disappearance, false criminal charges, sudden accident, etc. - my readers can be certain that the FBI and CIA were involved. See my related ebooks identifying the murders of Gary Webb, Michael Hastings, Phil Schneider, William Colby, Dr Eugene Mallove, Stan Meyers, and others. In my opinion, the Council on Foreign Relations (CFR) is behind these criminal acts; David Rockefeller was the CEO and Chairman for many years.

For future reference, I would never deliberately do something that would harm or hurt myself. This goes against my beliefs and against the teachings of Seth. This needs to be stated because the CIA and FBI have proven many times that they are willing to use "staged suicides" to solve their "problems". Phil Schneider went public with his information after 8 of his work colleagues were murdered during staged suicides.
