Abstract

Rev 1B - This short ebook identifies some of the top executives in the U.S. government that run a Secret CIA program to track and attack Targeted Individuals worldwide. The program is lead by CIA Operations from their Denver headquarters, and involves the Air Force Space Command 50th Wing, DHS Intelligence & Analysis Office, FBI National Security Branch, Office of DNI, and DOJ National Security Division.

In my opinion, the people identified here have committed crimes more horrific than any murderer or serial killer. On a daily basis, they have willfully developed, planned, and orchestrated a global torture program, unlike anything seen in human history. It is disturbing beyond comparison to anything the Nazi's did during World War 2. More than 1 million people worldwide are being hit with Directed Energy Weapons (DEW), Gangstalking, and Voice-to-skull (V2K) torture. A smaller number have been implanted with electronic devices that attempt to control emotional states, and control bodily functions and movements.

Here is what we ask Targeted Individuals to do: Use the home addresses provided here to – talk to their neighbors and family members. Hand out flyers. We do not encourage acts of violence. We encourage using their names and addresses to identify them on lawsuits and subpoenas.

Introduction

David J. Glawe and Brian J. Murphy are the leaders of the Intelligence & Analysis (I & A) Office at the Department of Homeland Security (DHS). This division is directly responsible for the funding and staffing of federal DHS and FBI personnel at Fusion Centers located in every state. The DHS.gov website makes it clear that they also are involved with funding, staffing and strategy for the Emergency Call Centers that are located in every large city in the United States.

During 2018, 3 former police officers (whistleblowers) have come forward and stated that the Fusion Centers are the control stations for gangstalking. The DHS Intelligence & Analysis Office openly state on their website, that they provide funding, direction, and some of the key personnel to the Fusion Centers. This author has previously estimated that there are about 170,000 Targeted Individuals in the United States, and more than 1 million worldwide. For details – see the ebook, “The Governors of Gangstalking.”

Each of the following persons listed below are wanted by Targeted Individuals for:

- 18 U.S. Code § 2381; Treason.
- 18 U.S. Code § 2340; (c) Conspiracy to commit torture.

- 18 U.S. Code § 2382; Misprision of Treason.
- 18 U.S. Code § 2384; Seditious Conspiracy.
- 18 U.S. Code § 2389; Recruiting for service against the United States.
- 18 U.S. Code § 241; Conspiracy to Deprive Constitutional Rights;
- 18 U.S. Code § 242; Deprivation of Constitutional Rights;
- 18 U.S. Code § 1961; Organized Crime Control Act of 1980. (RICO)
- 18 USC § 2261A; Interstate Stalking,

Code Words used in the Intelligence Community:

“CounterIntelligence” means propaganda and disinformation

“Counterterrorism” usually means gangstalking and tracking. “CounterTerrorism” is 90% gangstalking, and 10% pretending that actual terrorists are hiding behind every tree and building.

“Non-Investigative Subject” (NIS) means Targeted Individual.

“Silent Hit, Routine” is the Handling Code (HC) that is returned by the Terrorist Screening Database (TSDB) when queried by a police officer. It means they have encountered a Targeted Individual. However, the police officer is instructed to “Approach with Caution” or “Armed and Dangerous.”

Figure 5. This message is similar to what police receive when they encounter a Targeted Individual. From “Terrorist Screening Center – Nominations Process, 2007” - obtained through ACLU Freedom of Information Request.

Both the FBI and DHS Intelligence Office have quotas for bringing new TI's into the system – they are called “Production Offices.”

Suggested Actions for Targeted Individuals:

We need to track down the family members and neighbors for each of these criminals, and demand that they stop the TI program. Hand out flyers. Refer them to TargetedJustice.com and RLighthouse.com

Please also email or contact everyone at these Federal agencies, including DHS and FBI, in any department. The best pressure we can put on these criminals – is telling all of their coworkers in the federal government, exactly what they do.

APPENDIX 1.

I am a proud government whistleblower – see my ebooks about the criminal acts of the CIA, FBI, and NSA. Readers are advised that the NSA may be blocking or restricting access to some of my ebooks, especially outside the United States. Readers are further advised that digital tracking tags may have been placed in my ebooks. It may be best to download from Apple iBooks, if possible. Note how slowly the jpg's load into the ebook when viewing. The content of some ebooks may have been altered – still trying to monitor this. If you have tried to contact me, it is possible that emails and phone calls are being blocked (RLighthouse – at – protonmail.com) 713.three.zero.six.8287.

The government criminals latest hacking efforts include hiding information within the Page Break character. I am unable to delete these new page lines. Other times, tracking tags or codes are hidden within the images. I suggest - print the document out at low resolution, and then share as a paper copy for distribution.

Readers are advised to review the website drjudywood.com which provides compelling evidence about 9-11. Dr Judy Wood and Dr Morgan Reynolds, university professors, filed lawsuits against the US Government for fraud and conspiracy about 9-11. Dr Woods scientific presentation is available on youtube and other websites. Readers are also advised to see the movie "Unacknowledged" by Dr Steven Greer, M.D. It is available for on Netflix, and to watch the youtube videos by the Honorable Paul Hellyer, former Canadian Minister of Defense. He has a book titled, "The Money Mafia."

For more than 6 years, this author has been stalked, harassed, and threatened by US Government agents from the CIA, FBI, and NSA - because of the content of my writings. My home has been broken into, repeatedly. In May 2014, my girlfriend was drugged and kidnapped from LaGuardia airport. She was unconscious for more than 4 hours. This is not a joke. My computer, phone, and alarm system have been hacked, including those of my friends and family. It is truly sad and pathetic, these agencies have become criminal organizations. If something happens to me (disappearance, false criminal charges, sudden accident, etc) - my readers can be certain that the CIA and FBI were involved. I would never deliberately harm myself, it is against my beliefs. In my opinion, the CIA and the Council on Foreign Relations (CFR) are directing these criminal acts; David Rockefeller was the CEO and Chairman for many years.

The Deep State criminals at the CIA and FBI continue to stalk me using women with Russian accents, Ukraine, anything foreign. They follow me at the grocery store, restaurants, jogging in the park, almost anywhere. And then they take lots of pictures of me. These Monarch

women are being subliminally manipulated, and they do not represent Russia, the Ukraine, or any other foreign nation. These women work, either willingly or forcefully, for the CIA and FBI. I have told my family members about this for almost 5 years. It has gotten to the point of ridiculous.

I am not fooled by the CIA and FBI criminals, and I expect that my readers are not either. However, if you need an education about the Monarch Program, I suggest reading about Bryce Taylor and Cathy O'Brien.

Journalist, Gary Webb made the mistake of allowing one of these Monarch women into his life. He ended up with 2 gunshot wounds to the back of his head, and the "fake girlfriend" performed her programming, stating that he was depressed and suicidal. The coroner's office claimed that it was suicide. Seriously.

"The CIA and FBI are behind most, if not all terrorism."
- Ted Gunderson, former FBI Chief
