# Panel Antennas are a Weapon System

**Digital Beamforming** using 4 panel antennas on a **cell tower**. The main lobe has a typical range of 5+ miles, and can go thru many buildings to hit a target.

**Beam Steering & MIMO** allow the antennas to track and hit many targets at the same time, by using high-speed pulsing, or different frequencies.

## MK-Ultra Program

- Quickly programmed to speak (forced speech) or perform activities.
- Can be turned into "Unpaid Perps"

- Difficult to control or alter behavior.

### Creating a Highly-Suggestible Population:

- 1) Cell towers - transmit frequencies to induce trance state, and subliminal messages.
- 2) Subliminal messages - used for behavioral programming
- 3) Vaccines - alter DNA and behavior. Contain toxins, nanites, & metals that accumulate in the brain. Metals resonate with trance-state frequencies.
- 4) Chemtrails - finely ground metals in jet fuel - such as barium & aluminum, accumulate in the brain and help to induce a trance state, which increases the susceptibility to subliminal messages.
- 5) Nanotech - deliver specific chemicals & metals to alter behavior.
- 6) Remote Neural Monitoring (RNM) - used for measuring the effect of subliminal messages and to optimize programming.
- 7) Implants - used to measure effects of behavioral modifications/sensors.

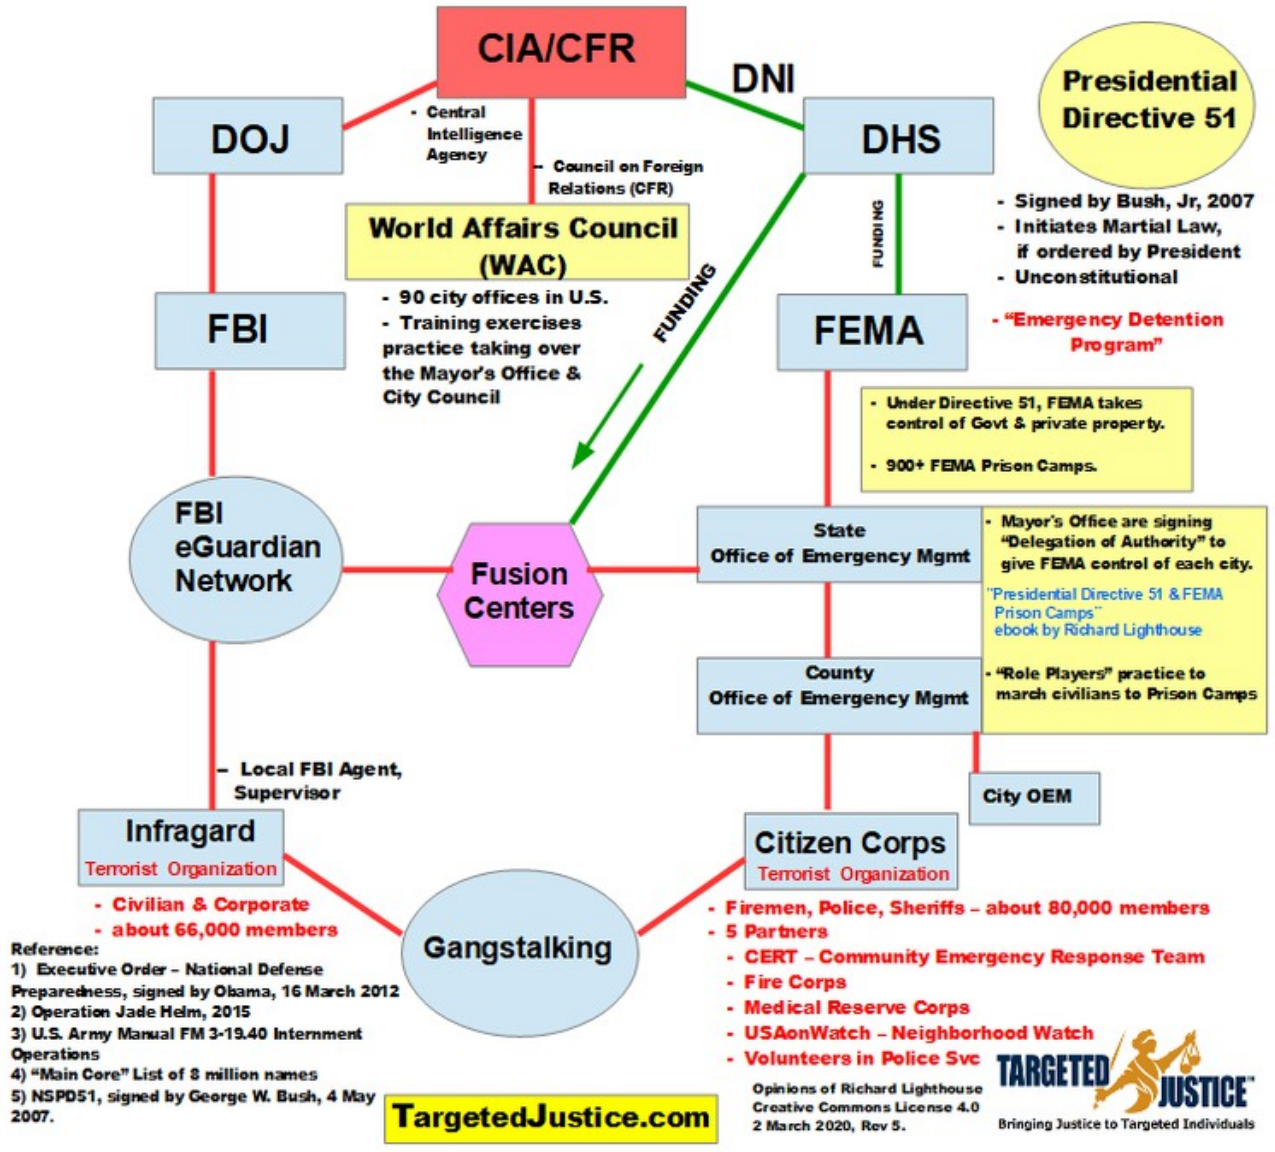

Figure 1. Typical Spectran HF-4040 reading taken in summer 2016. 3648 MHz at -71dbm and 3921 MHz at -59 dbm. There are very few users in this frequency range – so it is easy to identify. Scans were typically done by sweeping between 3500 MHz and 4000 MHz, but could be narrower, once the range is known.

Figure 2. Another typical Spectran HF-4040 reading, 3692 MHz at -67dbm and 3923 MHz at -57 dbm.

Figure 3. Another typical Spectran HF-4040 reading. 3722 MHz at -58dbm and 3932 MHz at -55dbm. The power level seems to be determined by the building structure over the target's head – i.e., a residential roof or a multi-floor building.

# Microwave Weapons Used on U.S. Civilians:

<https://www.targetedjustice.com/microwave-burns.html>

[TJlawsuit@use.startmail.com](mailto:TJlawsuit@use.startmail.com)

The Deep State CIA & U.S. Space Force operate these weapons from Schriever AFB in Colorado, targeting political activists, whistleblowers, and scientists, etc.

## Key Evidence -

- 1) Credible Sources - 30 Medical Doctors and Scientists confirm the Targeted Individual Program is real. It is an Unacknowledged Special Access Program (USAP) funded by the CIA.  
<https://www.targetedjustice.com>
- 2) Sworn affidavits from 2 FBI agents confirm the Targeted Individual Program is real.  
<https://www.targetedjustice.com/affidavits.html>
- 3) The National Academies of Science confirmed the existence of microwave weapons, and stated they are "the most plausible mechanism" for the attacks on US Diplomats.  
<https://www.motherjones.com/politics/2020/12/cuba-china-microwave-attacks-diplomats-spies-science-report/>
- 4) U.S. Patents 4,345,220 and 4,877,027. The 4000 scientists at the U.S. Patent Office are not liars.

- 5) "Titan D.E.W. Capabilities" - technical paper published by engineers at the Titan Corporation in San Leandro, CA; admitting they built the High-Powered Microwave weapons under contract to the USAF.

### Seth Quotes (Jane Roberts)

"...dream reality is as valid and real as waking reality."  
 - The Seth Material, Chapter 14

"Entropy does not exist. It is the appearance only of an effect within the physical perspectives; that seemingly unusable energy helps form your dream universe. That energy from which you seem to get no work physically, that energy which seems to diminish in value, is plowed backward into inwardness, regenerated and used to form universes without which you could not exist, even as physical beings."  
 - Early Sessions, Session 109, November 23, 1964

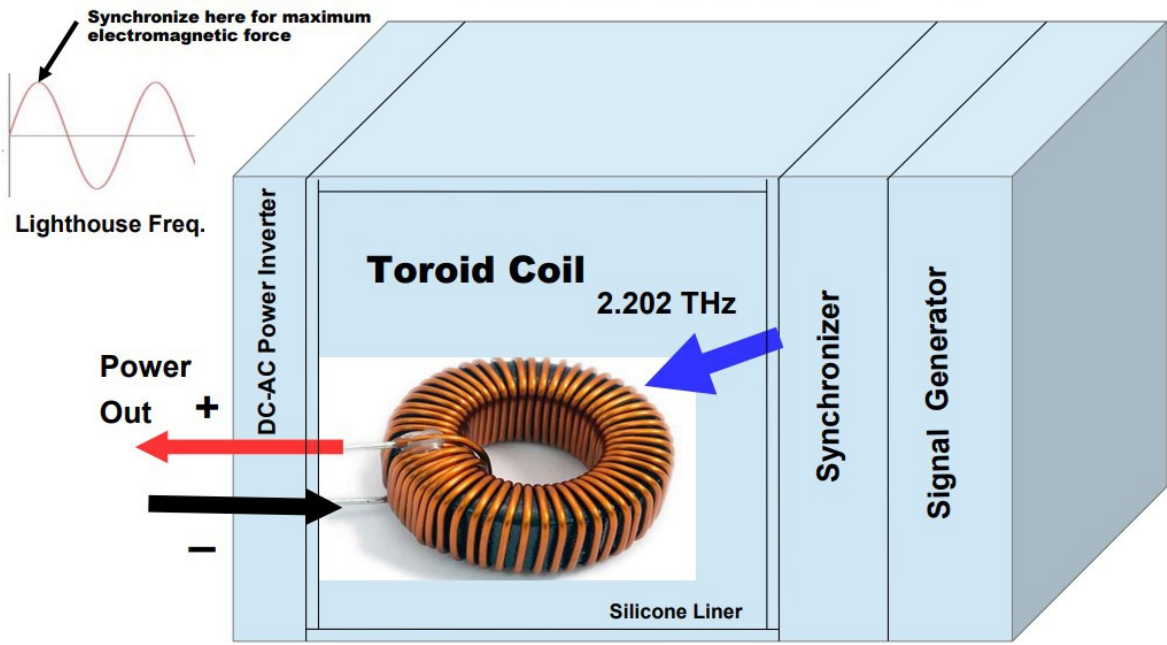

"They are, if you prefer, incipient particles that have not yet emerged into matter."  
 - Seth Speaks, Chapter 5, Session 524, April 20, 1970

"The connections between the dreaming self and the waking self, and between the dream universe and the physical universe, exist on chemical, electromagnetic and psychic levels. They are completely interwoven. Effects in one are reflected in the other[s]."  
 - Early Sessions, Session 178, August 16, 1965

# Home Power Generator using "Zero-Point" Energy

The Zero-Point is created by a Blinking Universe.  
RF Sweep across 1,101,361,642,963 Hz or 2X

Note: To maximize output, the coil should resonate at a sub-harmonic of the Lighthouse Frequency.

## Military Microwave Weapons Used on U.S. Civilians:

### Our Main Message:

1) More than 200,000 Targeted Individuals in the U.S., are being tracked and attacked with High-Powered Microwave (HPM) weapons, from satellites and cell towers, 24/7. These weapons are controlled from Schriever Air Force Base in Colorado. See our pictures of microwave burns as proof: <https://www.targetedjustice.com/microwave-burns1.html> This is the same weapon system, that was used on the U.S. Diplomats in Cuba, called "Havana Syndrome."

Many famous people are Targeted Individuals: Ed Snowden, Julian Assange, and William Binney. Also, Roseanne Barr, Van Morrison, Randy Quaid, and John McAfee (dec.). They are hit with painful microwave attacks every day.

2) Most people in the world, are being precisely tracked by microwave pulses using Lockheed GPS satellites, operated by the U.S. Space Force, Squadron 2, at Schriever Air Force Base - Colorado Springs. This is the largest satellite operations facility in the world. (No, this is not Russia or China. It is funded and controlled by the CIA.)

3) Panel antennas on cell towers are part of a "global distributed weapon system." The antennas use digital beamforming to create microwave "bullets," that can be very painful, and even lethal.

4) Subliminal messages are directed through Cell Towers, at everyone, 24/7. Schriever AFB is the control source. U.S. Patent 4,877,027. Senators, Congressmen, Judges, and even the President, are being hit with specific subliminal messages to affect their decisions.

5) Approximately 1/3 of the global population is "highly suggestible" and easily manipulated by these subliminal messages, because many are effectively in a Deep Trance, even while their eyes are open. These people can be commanded to say or do, almost anything. Many secondary personalities are also involved.

6) The CIA controls and funds this illegal program, with direction from the Council on Foreign Relations (CFR). The program is based on MK-Ultra mind control technology, and the FBI's illegal COINTELPRO.

7) Many people can feel the satellite-tracking microwave pulse, on the top-back part of your head – about one pulse each second. Many people can hear the cell tower tracking "popcorn," by cupping your hands over your ears for 60 seconds.

8) This article quotes NSA data - as of 2019, there are 200,000 Targeted Individuals in the United States, and more than 5.5 million worldwide. The FBI calls these people "Targets," or "Non-Investigative Subjects (NIS)."

My entire collection of ebooks were deleted from Smashwords.com in January 2020, because

[kevin@smashwords.com](mailto:kevin@smashwords.com) claims he did not like my “intentions.” He fully admits that I did not violate their Terms of Service, an issue of which they initially accused me. From 2013 thru 2019, I distributed more than 21,000 ebooks from a smashwords account. Most of them were free.

I am a proud government whistleblower – see my ebooks about the criminal acts of the CIA and FBI. Readers are advised that the CIA may be blocking or restricting access to some of my ebooks, especially outside the United States. Readers are further advised that digital tracking tags may have been placed in my ebooks. The content of some ebooks may have been altered – still trying to monitor this. If you have tried to contact me, it is possible that emails and phone calls are being blocked.

Readers are advised to review the website [DrJudyWood.com](http://DrJudyWood.com) which provides compelling evidence about 9-11.

Note Figure 63. Dr Wood spent many years researching this and filed suit against the US Government, along with Dr Morgan Reynolds. Jet fuel does not burn through concrete and steel. The cookie-cutter holes were made by a high-powered laser that rapidly ages material - and turned the concrete and steel into dust in seconds. Note Figure 38(a) here:

<http://drJudyWood.com/articles/DEW/StarWarsBeam3.html>

This laser operates at a harmonic of the blinking frequency - which causes rapid aging. Readers are also advised to see the movie "Unacknowledged" by Dr Steven Greer, M.D., and to watch the youtube videos by the Honorable Paul Hellyer, former Canadian Minister of Defense. He has a book titled, “The Money Mafia.”

For more than 10 years, this author has been stalked, harassed, and threatened by US Government agents from the CIA, FBI, and NSA - because of the content of my ebooks. My home has been broken into, repeatedly. In May 2014, my girlfriend was drugged and kidnapped from LaGuardia airport. This is not a joke. My computer, phone, and alarm system have been hacked, including those of my friends and family. It is truly sad and pathetic, these government agencies have become criminal organizations, under the Deep State. If something happens to me (disappearance, false criminal charges, sudden accident, etc. - my readers can be certain that the FBI and CIA were involved. I am not depressed, I do not own a gun, and I have never been suicidal – this needs to be stated because the CIA continues to arrange murders, and stage it as a suicide. See my related ebooks identifying the murders of Gary Webb, Michael Hastings, Phil Schneider, William Colby, Dr Eugene Mallove, Stan Meyers, Phil Haney, and others. In my opinion, the CIA and Council on Foreign Relations (CFR) are behind these criminal acts; David Rockefeller was the CEO and Chairman for many years.
