Microwave Weapons used on civilians

<https://www.targetedjustice.com/microwave-burns.html>

The CIA & US Space Force operate these weapons from Schriever Base near Colorado Springs. **The FBI is involved in the cover-up.**

- **Havana Syndrome**/Anomalous Health Incidents (AHI) - Symptoms include ACUTE onset of sound, loss of balance, vibrating pressure to the head - All occurring simultaneously.
- These microwave weapons cause a myriad of conditions - blood clots, burns, swelling, bruising, and pathologies not seen before. Watch for ulcers and wounds that do not heal.
