The FBI is lying to you. Most people on the Terror Watchlist are "**Non-Investigative Subjects.**" The FBI is not investigating them because they have been placed into an illegal CIA experiment, called **Targeted Individuals**, and they are tracked using the Watchlist. These people are tortured 24 hours/day with microwaves and gangstalking. Many of them are political activists, whistleblowers, labor union leaders, and scientists.

The funding and sponsors of this criminal enterprise are the wealthy **Rockefeller family** and the **Council on Foreign Relations (CFR.org)** in New York City.

The Sworn Affidavits of 2 FBI agents confirm this: **Ted Gunderson and GERALD Sosbee** (www.SosbeeVFBI.com)

Doctors know about the Microwave Weapons:

Dr Sue Arrigo, M.D. Former U.N. official

Dr Douglas Smith, M.D. Examined Cuban Diplomats

Dr Colin Ross, M.D., author of CIA book

The Satellite microwave weapons are called a Vircator, operated by the USAF Space Command at **Schriever Air Force Base**, in Colorado Springs, Colorado. (Schriever.af.mil)
